Dear Sahil Phadtare,

We hope this message finds you well. We sincerely appreciate your submission of the paper titled "A Review - Lunar Crater Detection Using Image Processing Techniques" (Paper ID: 201) to International Conference on Artificial Intelligence, Communication Technologies and Smart Cities.

Regrettably, we must inform you that your paper cannot be included in the conference proceedings. We deeply value the effort and dedication that goes into academic research. According to the conference policies, possible reasons for the rejection include exceeding the plagiarism threshold or the paper being out of scope for the conference theme.

If you have any questions or require further clarification, please feel free to contact us at icacs@charusat.ac.in.

We genuinely appreciate your interest in our conference and look forward to your continued contributions to the research community.

Thank you for your understanding.
